

Firearms Transportation

- Civilian law enforcement officers performing official business on JBSA are authorized to carry their firearms on their person.
- When removed from a storage facility (private quarters or SF Armory), firearms will be unloaded, separate from ammunition, and transported in the trunk or rear most compartment of the vehicle while on JBSA.
- Personnel must notify entry controllers when entering JBSA with firearms for authorized use or storage, and then proceed directly to the appropriate range or storage facility.
- Firearms will not be stored in vehicles to be used at a later time or date.
- Firearms will not be transported on motorcycles, bicycles, or any other two- or three-wheeled vehicle.

Concealed Carry on JBSA

- State concealed carry firearms licenses and Law Enforcement Officer Safety Act (LEOSA) credentials are not valid on JBSA.
- Personnel are not authorized to conceal carry privately owned firearms on JBSA.

Welcome to Joint Base San Antonio

Joint Base San Antonio Privately Owned Firearms and Concealed Carry Policy and Information

Newcomer Personal Firearms Information/Procedures

- All personnel in the possession of privately owned firearms must comply with all laws and military regulations regarding such firearms.
- The Security Forces Armory and family housing are the only authorized areas for storing privately owned firearms.
- Personnel residing on JBSA are not authorized to maintain firearms or ammunition in barracks, unaccompanied quarters, transient quarters, dormitories, lodging rooms, temporary lodging facilities, privatized lodging, or guest houses. These residents are required to immediately store their firearms in a Security Forces Armory and register them within three duty days of arriving at JBSA or upon acquiring a firearm.
- Personnel residing in family housing are authorized to retain privately owned firearms in their quarters and are not required to store them with a Security Forces Armory. Unit Commanders must identify their personnel retaining firearms in their quarters by completing an AF Form 1314, *Firearms Registration*.
- Civilians on JBSA or in the Fam-Camp will be self-sponsoring and must report to a Security Forces Armory to register and store their firearms.

Firearms Storage for JBSA Housing Residents

- It is mandatory for all personnel storing privately owned firearms in their on-base residence to register their firearms with Security Forces.
- Registration must be accomplished within **three duty days** upon acceptance of family housing.
- Personnel residing in family housing will ensure all firearms are secured in an appropriately constructed locked container or are equipped with a tamper resistant mechanical lock or other safety device.
- Mechanical locks or other safety devices will be properly engaged to ensure firearms are rendered inoperable by any unauthorized users. Firearms stored in locking gun cabinets constructed with glass windows will have an additional level of security in place (e.g., trigger locks, wire mesh, etc.) to prevent removal and use of the firearms if the glass is broken.

Firearms Storage for Non-housing Residents

- Each Security Forces Armory is designated as a JBSA storage site for privately owned firearms. Storage and accountability procedures are documented in the JBSA Integrated Defense/Antiterrorism Plan.
- Personnel storing firearms in a Security Forces Armory are required to have an AF Form 1314, *Firearms Registration*, receipt in their possession each time a firearm is checked in or out.

Forms

- Personnel with firearms will complete the AF Form 1314, *Firearms Registration*, by listing all firearms, have it signed by their commander, and complete a DD Form 2760, *Qualification to Possess Firearms or Ammunition*. Once these forms are completed, contact a Security Forces organization based on duty location:
- JBSA-Fort Sam Houston: 210-221-2651
- JBSA-Lackland: 210-671-1457
- JBSA-Randolph: 210-652-2838
